You've got a savage look in your eyes pretty little
stranger girl
Too late to turn away you dragged me into your
underworld
I think you've got your reasons
To carry a gun with you

DON'T YOU TRY TO BABY PUT ME DOWN GET AROUND
[x2]

Would you give a minute in heaven for a lifetime in hell

What's your price for eternity girl i know you've got a
soul to sell

I think you've got your reasons
To carry a gun with you
(if you ain't got better to do)

DON'T YOU TRY TO BABY PUT ME DOWN GET AROUND
[x2]
