Blood

How could you ever know
How does the river flow
If you don't let go Miriam

Love

How could you ever know
How do the seeds grow
If you don't let go Miriam

Dancing on and on
In the night and the tears keep falling
Dancing on and on
In the blood out of light

Love

How could you ever know
How does forever go
If you don't let go Miriam

Dancing on and on
In the night and the tears keep falling
Dancing on and on
In the blood out of light

Through the hunger and the pain
Love's a gentle rain
When the night calls you by name
Miriam

Don't you turn away those years
Another thousand tears
Wash away your fears

Dancing on and on
In the night and the tears keep falling
Dancing on and on
In the blood out of light.

Through the hunger and the pain
Love's a gentle rain
When the night calls you by name

Dancing on and on
In the night and the tears keep falling
Dancing on and on
In the blood out of light

Miriam
