Hanging out of Second Avenue
Eating chicken vindaloo
I just want to be with you
I just want to have something to do

Tonight, tonight, tonight
Tonight, tonight, Well allright
Tonight, tonight, tonight
Tonight, tonight, tonight
Wait-Now
Wait-Now

Hanging out all by myself
Cause I don't want to be with anybody else
I just want to be with you
I just want to have something to do

Tonight, tonight, tonight

Tonight, tonight, Well allright
Tonight, tonight, tonight
Tonight, tonight, tonight
Wait-Now
Wait-Now

Hanging out all by myself
Cause I don't want to be with anybody else
I just want to be with you
I just want to have something to do

Tonight, tonight, tonight
Tonight, tonight, tonight
Tonight, tonight, tonight
Tonight, tonight, tonight
Wait-Now
Wait-Now
