Try to take a look into my eyes and tell me what you
see

Can you see that fire burning deep inside
I wanna know if you can solve this mystery for me
How to make that fire burning higher all night

'Cause I'm
I'm ready to take my chance on you
I'm ready baby I'm ready
I'm ready to share this dance with you
I'm ready baby I'm ready

Come on down you pretty little stranger baby and tell
me

If you feel that fire burning deep inside
I wanna know if you can be that one for my baby
The one who makes that fire burning higher all night

'Cause I'm

I'm ready to take my chance on you
I'm ready baby I'm ready
I'm ready to share this dance with you
I'm ready baby I'm ready
