I saw your eyes up on the sky  
Thought about the night you cannot deny

I've got a rose in my heart for you  
I've got a rose in my heart for you

I saw your eyes up on the sky  
Thought about the night you never said goodbye

I've got a rose in my heart for you  
I've got a rose in my heart for you

And I'm alive  
I'm God's favorite  
And I'm an angel  
The purest you've ever met

Pitchblack

I saw your eyes up on the sky  
Thought about the night you killed the light

I've got a rose in my heart for you  
I've got a rose in my heart for you

And I'm alive  
I'm God's favorite  
And I'm an angel  
The purest you've ever met

Pitchblack

I've got a rose in my heart for you  
I've got a rose in my heart for you

And I'm alive  
I'm God's favorite  
And I'm an angel  
The purest you've ever met
