the autumn came took you away  
i never expected you to stay  
black tears fallin'  
in the cold rain

i woke up one night to the darkest dream  
your pretty ghost whisperin' to me  
just one drop and i'll give you  
eternity

i'm lookin' at you  
i'm lookin' for love  
never get enough  
when push comes to shove

try to look at me tell me what you see  
you let fantasy become reality  
when the night is callin'

pretty baby screams

i buried my heart into the deapest seas  
when the blood runs cold i feel hot in heat  
the red moon risin'  
over you and me

i'm lookin' at you  
i'm lookin' for love  
never get enough  
when push comes to shove

I never believed we would meet again  
start it all over 'til the very end  
gimme velvet touc gimme a kiss  
(kiss) kiss of death..
