I can't forget the night I met you,

That's all I'm thinking of;

And now you call it madness,

But I call it love.

You made a promise to be faithful

By all the stars above;

And now you call it madness,

I still call it love.

My heart is beating, It keeps on repeating,

For you constantly.

You're all I'm needing, And so I'm pleading,

"Please come back to me!"

You made a plaything out of romance!

What do you know of love?

That's why you call it madness,

But I call it love
