I can't forget the night I met you,  
That's all I'm thinking of;  
And now you call it madness,  
But I call it love.

You made a promise to be faithful  
By all the stars above;  
And now you call it madness,  
I still call it love.

My heart is beating, It keeps on repeating,  
For you constantly.  
You're all I'm needing, And so I'm pleading,  
"Please come back to me!"

You made a plaything out of romance!  
What do you know of love?  
That's why you call it madness,  
But I call it love.
