Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust

Every time you trample across my peaceful mind  
Flailing freely, want me to let it slide, yeah  
How you hurt her, went so far beyond the wrong  
I'll burn you down to cinders, ashes now you're gone,  
yeah

And the scars you left behind  
Slowly fade away with time  
Ashes of what used to be  
Now they tore you on to me

Begging mercy, shifting, playing on both sides  
Cut your own throat open and ask me how you died,  
yeah  
What was once respect has slowly headed south  
Memory forces echoes better in my mouth, yeah

And the scars you left behind  
Slowly fade away with time  
Ashes of what used to be  
Now they tore you on to me

Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust

Well, I have no respect left for what you're about  
And sympathy won't come from me  
Erase everything that you once could have been  
Destruction of your dignity

I scatter your ashes into the wind  
Regret is too short, now you're free  
Leave here in shame doomed to fulfill  
Your pathetic destiny

And the scars you left behind  
Slowly fade away with time  
Ashes of what used to be  
Now they tore you on to me

Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust  
It's history

Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust  
It's history

Ashes to ashes, dust to dust  
Ashes to ashes, dust to dust

Ashes to ashes, dust to dust
