I'm walking behind you
On your wedding day
And I'll hear you promise
To love and obey
Though you may forget me
You're still on me mind
Look over your shoulder
I'm walking behind

Maybe I'll kiss again
With a love that's new
But I shall wish again
I were kissing you
Cause I'll always love you
Wherever you go
And though we are parted
I want you to know
That if things go wrong dear
And fate is unkind
Look over your shoulder
I'm walking behind

If things should go wrong dear
And fate is unkind
Look over your shoulder
I'm walking behind
