Met you by surprise,
I didn't realize
that my life would change forever
Saw you standing there,
I didn't know I cared
there was something special in the air
Dreams are my reality,
the only kind of real fantasy
Illusions are a common thing
I try to live in dreams
It seems as if it's meant to be
Dreams are my reality,
a different kind of reality
I dream of loving in the night
And living seems alright
Although it's only fantasy
If you do exist,
honey don't resist
show me a new way of loving
Tell me that it's true,
show me what to do
I feel something special about you
Dreams are my reality,
the only kind of reality
may be my foolishness has past
And may be now at last
I'll see how a real thing can be
Dreams are my reality,
a wondrous world where I like to be
I dream of holding you all night
and holding you seems right
perhaps that's my reality
Met you by surprise,
I didn't realize
that my life would change forever
Tell me that it's true,
feelings that are cue
I feel something special about you
Dreams are my reality,
a wondrous world where I like to be
Illusions are a common thing

I try to live in dreams
although it's only fantasy
Dreams are my reality,
I like to dream of you close to me
I dream of loving in the night
and loving you seems right
Perhaps that's my reality
