Yes, it's funny in it,  
they say hwo you get your money, I say it's not your  
business  
and what if you get cut, well I knew would come in this,  
it's a legal in some states, but so is kind of ..  
and it's been made apparent to me,  
that I've been cut up in that lucrative, parent my skin,  
who comparatively, ya'll how much do we different  
though?  
we punch the clock in front of pock, I guess that make  
me criminal  
so you marry my boss, inspired by the whire knocking  
Gerry or..  
got berry discrossed but cherry, ..  
some of you allow, first not ..officer I'm just Rick Ross,  
huh, started it off..for freak, me and my friend got all  
away  
now more bout 4 away,  
got it ..elbow if you need,  
any other cellphone on some break,  
all for ladies, stop convey,  
still I ain't got new shows to frame,  
hold up, I don't even know what stop for me though,  
pay my bills and share with all this ..Monopoly dough,  
they hear me properly, I ain't goodbye property dough,  
see me I'm tryin to get what Walter got from ..hoe, yo..

Hook:

Young flow killer, by day a dope killer,  
got job kill a straw ..  
oh shit, I think I'll put my cover,  
college educated drug dealer from the suburbs.  
Young flow killer, by day a dope killer,  
got job kill a straw ..  
oh shit, I think I'll put my cover,  
college educated drug dealer from the suburbs.

It's down to three hundred dollars so shit  
and 15 hour I could cover it,  
now 15 hour as I'm pay for shit,  
working so many hours, I ain't got time to make it big,

back into the game, back in the game,  
kally mix with daddy insane  
sample of beat in the back ..and I'm gladly to be happy  
and..kay  
okay, you pay, I may through in some shake, away  
this time, why won't you beat a job, you gotta degree  
why when I make 50 hundred this week,  
get fronted this week, I cover this piece,  
who ever say you gang roll money on trees,  
look it ain't getting money rich, it just giving me time,  
said I'm sitting the desk, real when I'm going to die,  
I'm just pushing the zip soaping it doesn't gonna drown  
I ain't doing it big, now I'm just trying goodbye,  
But it's kinda fun watching money multiply  
and look at all this now, I'm a young Walter white  
say that I make enough to get by and knock it out  
but the money roll me into supply, supply now,
