I see it in your eyes

the pain you keep inside

It's slowly tearing you apart

though you've run away

Reminded day by day

You've stumbled and you've fallen

Still HE'S callin

Chorus:

I believe that he loves you as you are

I believe that you've seen the hands of GOD

I believe that you'll know it when

You're back in His arms again

I believe that HE never let you go

I believe that HE'S wanting you to know

I believe that He'll lead you 'til

You're back in his arms again.

Glad I found you here

'Cause between the tears

Something in your eyes shoes hope

And I stand before you now

AS one that knows about

Coming to Him open

And broken

Chorus

And I know that He's calling

He's calling you Home

Chorus

One Life, one love, one way, Home

And when you rise and when you fall

He will see you through it all

He is waiting you are called, back in His arms again
