.R., Sean Kingston!

[Chorus:]

You're way too beautiful girl
That's why it'll never work
You'll have me suicidal, suicidal
When you say it's over

[Sheek Louch:]

Let's Go
I can't believe you got me suicidal
Uh, can't sleep or eat
You got me reading the bible
And that ain't me, im OG
I've been in this game since 93
That aint me, that ain't shit
I workout hard i feel so weak
Ima fall back and let king speak

[Sean Kingston:]

See it started at the park
Used to chill after dark
Oh when you took my heart
That's when we fell apart
Cause we both thought
That love lasts forever (lasts forever)
They say we're too young
To get ourselves sprung
Oh we didn't care
We made it very clear
And they also said
That we couldn't last together (last together)

[Bridge:]

See it's very define
You're one of a kind
But you mush up my mind
You walk to get declined
Oh Lord...
My baby you're driving me crazy

[Chorus:]

You're way too beautiful girl
That's why it'll never work
You'll have me suicidal, suicidal
When you say it's over

[Sheek Louch:]

I swear it's her hair
Her skin that ass i'm in
L-O-V-E it can be
I'm suicidal she don't want me
And I know i'm just a thug
So don't mind me if I bug
First seen her in the club
Uh huh, I was wiped, (it was)

It was back in '99
Watchin' movies all the time
Oh when I went away
For doin' my first crime
And I never thought
That we was gonna see each other (see each other)
And then I came out
Mami moved me down South
Oh I'm with my girl
Who I thought was my world
It came out to be
That she wasn't the girl for me (girl for me)

[Bridge:]

See it's very define
You're one of a kind
But you mush up my mind
You walk to get declined
Oh Lord...
My baby you're driving me crazy

[Chorus:]

You're way too beautiful girl
That's why it'll never work
You'll have me suicidal, suicidal
When you say it's over
Damn all these beautiful girls
They only wanna do your dirt
They'll have you suicidal, suicidal
When they say it's over

Now we're fussin'
And now we're fightin'
Please tell me why
I'm feelin' slightin'

And I don't know
How to make it better (make it better)
You're datin' other guys
You're tellin' me lies
Oh I can't believe
What I'm seein' with my eyes
I'm losin' my mind
And I don't think it's clever (think it's clever)

You're way too beautiful girl
That's why it'll never work
You'll have me suicidal, suicidal, suicidal...
