"Don't Go"

I can't stop these wants from falling down
Can't keep you here
Can't pull you near
Stand beside me

And I can't will you back to hear the sound
The empty rooms
The memories noon
Your love behind

[RIT]
Oh all the people are watching
Looking and stopping
They all know
Oh, and we're almost over
Broken and sober
They all know
Oh oh please don't go
Don't go

I can make it right to save it all
Can tell a lie
Can say goodbye to fill the?

[RIT]
Oh all the people are watching
Looking and stopping
They all know
Oh and we're almost over
Broken and sober
They all know
Oh oh please don't go
Don't go
Don't go
Don't go

Oh don't go
We can't be over
My? love

[RIT] x2
