Just a still town girl on a saturday night
Lookin' for the fight of her life
In the real-time world no one sees her at all
They all say she's crazy
Locking rhythms to the beat of her heart
Changing woman into life
She has danced into the danger zone
When a dancer becomes a dance
It can cut you like a knife, if the gift becomes the fire
On a wire between will and what will be
She's a maniac, maniac on the floor
And she's dancing like she's never danced before
She's a maniac, maniac on the floor
And she's dancing like she's never danced before
On the ice-build iron sanity is a place most never see
It's a hard warm place of mystery, touch it, but can't
hold it
You work all your life for that moment in time, it could
come or pass you by
It's a push of the world, but there's always a chance
If the hunger stays the night
There's a cold connective heat, struggling, stretching

for defeat

Never stopping with her head against the wind

She's a maniac, maniac, I sure know

And she's dancing like she's never danced before

She's a maniac, maniac, I sure know

And she's dancing like she's never danced before

It can cut you like a knife, if the gift becomes the fire

On a wire between will and what will be

She's a maniac, maniac, I sure know

And she's dancing like she's never danced before

She's a maniac, maniac, I sure know

And she's dancing like she's never danced before

Maniac, maniac, I sure know
