"Burn"

I got up and made it through the day
I thought of what I want to say
I know I
Will lie to try
Just to win you back
So youll cry
When I hurt you back
Its your turn to burn

Cause it helps me
Move on
Like you said you did
It helps me be strong
Like I heard you were

Doing great
I cant help but to feel replaced
I know I
I try to hide
It shows in my face
When I see who took my place

Youll learn to burn

Cause it helps me
Move on
Like you said you did
And it helps me be strong
Like I heard you were

No I dont want to meet you to talk
So stop coming by my work
I dont want see you
No I dont want to pretend
Like everythings good in the end
I still dont believe you

I woke up and made it through the day
I thought of what you always say
Silence doesnt ease the pain
And violence wouldnt solve a thing

Ill learn to burn

Cause it helps me

Move on

Like you said you did

And it helps me be strong

Like I heard you were
