"One World"

One world/One time for man/Where do we go from
here
One day/One grain of sand/Moments we find so dear

We're holding on/Time slips away

One life/One thoughtful sigh/Places within our mind
One night/One starry sky/Weaving the threads of time

We're holding on/We're holding/Time slips away

(Chorus) One world one lifetime/One world one lifetime
Everybody searching in the dark/Answers that elude
the restless heart

One world/One time for man/Where do we go from
here

We're holding on/We're holding on/Time slips
away/Until it's gone

(Chorus)
