Open your eyes for I am calling
My world is love and you are falling
I long to hold you near me/Come on I know you hear
me/I feel adventure in the air

You make the night seem so inviting
A little danger's so exciting
We'll take a plane to French Morocco/And drink
champagne and watch the moon glow/
It all awaits/If you dare

Fantasy will arrive/Make's the night come alive

(Chorus) And if you take the chance/We can reach the
stars/A journey to uncharted lands/
And if you risk a dance/I'll hold you in my arms/I am the
Casbah man.

If on the high seas we are sailing
The winds of love are never failing
Adventure is our destination/The port of call our own
creation/Each day will bring a new horizon

We'll take a caravan to romance
And stop in Cairo for a slow dance
We'll spend the night at each oasis/And feel the light
as dawn embraces/Get in the swing/The fire's on

Mystery will unfold/Keeps the night in its hold

(Chorus)
