(Yo man) Yo  
(Open up man) What do you want man?  
(My girl just caught me)  
You let her catch you?  
(I don't know how I let this happen)  
With who?  
(The girl next door, you know?) Man...  
(I don't know what to do) Say it wasn't you  
(Alright)

Honey came in and she caught me red-handed  
Creeping with the girl next door  
Picture this we were both butt-naked  
Banging on the bathroom floor  
How could I forget  
That I had given her an extra key  
All this time she was standing there  
She never took her eyes off me

How you can grant the woman access to your villa  
Trespasser and a witness while you cling on your pillow  
You better watch your back before she turn into a killer  
Best for you and the situation not to call the beaner  
To be a true player you have to know how to play  
If she say you're not, convince her say you're gay  
Never admit to a word when she say makes a claim  
And you tell her baby no way

But she caught me on the counter  
(It wasn't me)  
Saw me banging on the sofa  
(It wasn't me)  
I even had her in the shower  
(It wasn't me)  
She even caught me on camera  
(It wasn't me)  
She saw the marks on my shoulder  
(It wasn't me)  
Heard the words that I told her  
(It wasn't me)  
Heard the screams getting louder

(It wasn't me)  
She stayed until it was over

Honey came in and she caught me red-handed  
Creeping with the girl next door  
Picture this we were both butt-naked  
Banging on the bathroom floor  
How could I forget  
That I had given her an extra key  
All this time she was standing there  
She never took her eyes off me

I had tried to keep her from what she was about to see  
Why should she believe me when I told her it wasn't me  
Make sure she knows it's not you and lead her on  
Da right prefix whenever you should see her make da  
giggolo flex  
As funny as it be by you, it not that complex  
Seein' is believin' so you better change your specs  
You know she not gonna be worrying bout things from  
the past  
Hardly recollecting and then she'll go to noontime  
mass  
Your answer: go over there but if she pack a gun  
You know you better run fast

But she caught me on the counter  
(It wasn't me)  
Saw me banging on the sofa  
(It wasn't me)  
I even had her in the shower  
(It wasn't me)  
She even caught me on camera  
(It wasn't me)  
She saw the marks on my shoulder  
(It wasn't me)  
Heard the words that I told her  
(It wasn't me)  
Heard the screams getting louder  
(It wasn't me)  
She stayed until it was over

Honey came in and she caught me red-handed  
Creeping with the girl next door  
Picture this we were both butt-naked  
Banging on the bathroom floor  
How could I forget  
That I had given her an extra key  
All this time she was standing there  
She never took her eyes off me

How could I forget  
That I had given her an extra key  
All this time she was standing there  
She never took her eyes off me  
Gonna tell her that I'm sorry for the pain that I've  
caused  
I've been listenin' to your reasonin'  
It makes no sense at all  
We should tell her that I'm sorry for the pain that I've  
caused  
You may think that you're a player  
But you're completely lost

Honey came in and she caught me red-handed  
Creeping with the girl next door  
Picture this we were both butt-naked  
Banging on the bathroom floor  
How could I forget  
That I had given her an extra key  
All this time she was standing there  
She never took her eyes off me
