Shaggy feat. Ricardo Ducent - It's Wasn't Me

=====

(Yo man) Yo
(Open up man) What do you want man?
(My girl just caught me)
You let her catch you?
(I don't know how I let this happen)
With who?
(The girl next door, you know?) Man...
(I don't know what to do) Say it wasn't you
(Alright)

Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt-naked
Banging on the bathroom floor
How could I forget
That I had given her an extra key
All this time she was standing there
She never took her eyes off me

How you can grant the woman access to your villa
Trespasser and a witness all the acts in a your pillar
You better watch your back before she turn into a killer
Best review the situation that you're caught up in a
To be a true player you have to know how to play
If she say a night, convince her say a day
Never admit to a word when she say
And if she claim a you tell her
Baby No Waay!

But she caught me on the counter
(It wasn't me)
Saw me banging on the sofa
(It wasn't me)
I even had her in the shower
(It wasn't me)
She even caught me on camera
(It wasn't me)
She saw the marks on my shoulder

(It wasn't me)
Heard the words that I told her
(It wasn't me)
Heard the screams getting louder
(It wasn't me)
She stayed until it was over

Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt-naked
Banging on the bathroom floor
I had tried to keep her from what she was about to see
Why should she believe me when I told her it wasn't me

Make sure she knows that she really no have no right fi
vex
A never you she see a make da giggolo flex
A somebody else who favour you in a di complex
Seein' is believin' so you better change your specs
You know she a go bring up whole heap of things up
from the past
All the little evidence you better know how fi mask
Quick fire answer know how fi talk
But if she back a gun
You know you better run fast

But she caught me on the counter
(It wasn't me)
Saw me banging on the sofa
(It wasn't me)
I even had her in the shower
(It wasn't me)
She even caught me on camera
(It wasn't me)
She saw the marks on my shoulder
(It wasn't me)
Heard the words that I told her
(It wasn't me)
Heard the screams getting louder
(It wasn't me)
She stayed until it was over

Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt-naked
Banging on the bathroom floor
How could I forget
That I had given her an extra key
All this time she was standing there
She never took her eyes off me

Gonna tell her that I'm sorry for the pain that I've

caused
I've been listenin' to your reasonin'
It makes no sense at all
We should tell her that I'm sorry for the pain that I've
caused
You may think that you're a player
But you're completely lost

Thats why I sing

Honey came in and she caught me red-handed
Creeping with the girl next door
Picture this we were both butt-naked
Banging on the bathroom floor
How could I forget
That I had given her an extra key All this time she was
standing there She never took her eyes off me
