walking through the rooms in my head  
i came across your image  
you looked at me with that sweet smile and said  
something they won't let me repeat  
we hurt the ones we love the most  
it's a subtle form of compliment

i don't care if you talk about me  
i don't care if you write it out in stone  
whenever i fall i land on my feet  
i don't care, i just don't care

mark the spot you hate with an x  
then shoot your bow and arrow  
do your worst get it all off your chest  
i'll hold my breath and swallow  
we hurt the ones we love the most  
it's a subtle form of discipline

i don't care if you talk about me  
i don't care if you write it out in stone  
whenever i fall i land on my feet  
i don't care, i just don't care

i don't care if you act like a queen  
i don't care if you take it out on me  
i've got 9 lives and i land on my feet  
i don't care, i just don't care

[out of the alley, i spoke came victoria]  
[queen victoria sitting shocked upon the rocking horse]  
[of a wave said to the laureate]  
[this minx a course as sharp as any lynx]  
[and blacker deeper than the drinks]  
[as any hottentot without remorse]  
[for the lynx said she and the drinks you can see]  
[are hot as any hottentot and not the goods for me]  
[hot as any hottentot and not the goods for me]

i don't care if you talk about me  
i don't care if you write it out in stone

whenever i fall i land on my feet  
i don't care, i just don't care

i don't care if you act like a queen  
i don't care if you take it out on me  
i've got 9 lives and i land on my feet  
i don't care, i just don't care
