Hey  
Hey you're mine  
Or would you stay awake  
Would you stay awake for someone else?

Waves of fire  
I'm sunburnt I am in flames  
You are mine  
Not matter what you say

Hey  
Hey you're mine  
Or would you stay awake  
Would you stay awake for someone else?

Waves of fire  
I'm sunburnt I am in flames  
You are mine  
No matter what you say

Ride the wave  
And I tear the walls with heavy breathing  
A burning day  
Ample sunlight after rain

Ride the wave  
Ride the wave  
All in flames  
All in flames
