### "A Good Heart"

I hear a lot of stories, I suppose they could be true,  
all about love, and what it can do to you.  
Highest risk of striking out, the risk of getting hurt,  
and still, I have so much to learn.  
I know, 'cause I think about it all the time.  
I know that real love is quite a price.

And a good heart these days is hard to find,  
(a good heart) True love, the lasting kind.  
A good heart these days is hard to find,  
so please be gentle with this heart of mine.

My expectations may be high, I blame it on my youth.  
Soon enough I'll learn the painful truth.  
I'll face it like a fighter, then boast of how I've grown,  
anything is better than being alone.  
I know 'cause I learn a little every day.  
I know 'cause I listen when the experts say-

that a good heart these days is hard to find...

Yes, I'm reflecting all my childhood dreams.  
My ideas of love weren't as foolish as they seemed.  
If I don't start looking now, I'll be left behind,  
and a good heart these days, it's hard to find.  
I know it's a dream I'm willing to defend.  
I know it will all be worth it in the end.

And a good heart these days is hard to find...(twice)  
A good heart - (7 times)
