### "Stare"

It is so inviting  
to watch your body  
as it lights up like lightning  
And it is so frightening  
to watch you changing  
and think that you might know I'm staring

But I'm so into you  
And apparently looking  
to catch a glimpse of the things you do  
Can we please be?  
Can we please tease?

You are like magic, baby  
Pull me from your head  
And it is so tragic that  
You don't really care

So for now lots of coffee  
And coughing because  
I've been smoking too much  
And smoking because  
I've been so nervous  
That you've seen me watching you

Do you know why I stare?  
Have you seen yourself lately  
in your underwear, baby?

And you're just so beautiful  
When you think that nobody  
is watching you and your true self

And you are like magic, baby  
Pull me from your head  
And it is so tragic that

you don't really  
Care if I stare  
Care if I'm there  
Care if I'm watching you  
fall to the floor
