feat. David Anthony & Taylor Jones

It's indescribable, this feeling inside
Feeling that I get when I catch your eyes
Oh I can feel my heart start to skip a beat,
Beat, beat, beat, beat, oho
I never thought someone could be so beautiful
That's why I want you to know

That you blow me away, like a hurricane
You knock me down, down
Brought me to the ground, ground
I can't believe that I found
You blow me away, way

I've tried to fight the lust but it's getting too strong
If only you knew just how you turn me on
Uh, you really turn me on, oh yeah
I never thought someone could be so beautiful
That's why I want you to know

That you blow me away, like a hurricane
You knock me down, down
Brought me to the ground, ground
I can't believe that I found
You blow me away, way

Oho, ho, ho, ho, ho, ho, ho
Oho, ho, ho, ho, ho, ho, ho
Oho, ho, ho, ho, ho, ho, ho

You blow me away, you're like sunshine, no time for the
shade
I try to forget them days, I fought in alone for your sun
down...
You shot for mistake, now I gotta spend my days in
space
Yeah, but that's okay, your touch and same can't lack
of taste
Taking me high, makin me fly, you're a star and girl
we're meant to collide

In time my universe, we will rehearse down for one
time
That way, I can picture the future, snap your body in a
perfect frame
From london to you we depart on a cruise
Now from the beginning, now a perfect place

I never thought someone could be so beautiful
That's why I want you to know

That you blow me away, like a hurricane
You knock me down, down
Brought me to the ground, ground
I can't believe that I found
You blow me away, way

Oho, ho, ho, ho, ho, ho, ho
Oho, ho, ho, ho, ho, ho, ho
Oho, ho, ho, ho, ho, ho, ho.
