She left without leaving a number, said she needed to
clear her mind,

he figured she gone back to Austin she talked about it
all the time.

It was almost a year before she called him up,

3 rings and an answering machine is what she got...

If your calling 'bout the car I sold it,

If this is tuesday night I'm bowling,

If you got something to sell

your wasting your time, I'm not buying

If its anybody else wait for the tone you know what to
do

and P.S if this is Austin, I still love you.

The telephone fell to the counter, she heard but she
couldn't believe

what kind of man would hang on that long, what kind of
love that must be,

she waited 3 days and then she tried again,

she didn't know what she'd say, but she heard 3 rings
and then...

If its friday night I'm at the ball game,

and first thing saturday, if it don't rain

I'm headed down to the lake and I'll be gone all
weekend long,

but I'll call you back when I get home on sunday
afternoon,

and P.S if this is Austin, I still love you

This time she left her number, but not another word,

and she waited by the phone on sunday evening,

and this is what he heard...

If your calling 'bout my heart

its still yours, I should've listened to it a little more,

then it wouldn't have taken me so long to know where I
belong

and by the way boy, this is no machine your talking to,

can't you tell this is Austin, and I still love you.....I
still love you
