On Friday night when I see her out  
Even in a crowd she's hard to miss  
There ain't a man breathing air  
Who wouldn't stop and stare  
And the best part is..

She doesn't know she's got it  
She doesn't know how bad we want it  
She doesn't know she's got it  
And that's what's a gettin' to me

She'll close her eyes when the music plays  
And the way she sways  
Really rocks the room  
She doesn't mean to get things stirred  
It's just a thing in her that was born to move

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me

I'm gonna work my courage up  
Tell her I'm in love  
I'm in love a lot  
She has my heart on a string  
Like everything the girl has got

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me

She doesn't know she's got it  
She doesn't know how bad I want it  
She doesn't know she's got it  
And that's what's a gettin' to me
