From the first moment I saw her I felt my pant pockets  
getting tight  
I knew just who I would be dreaming of in bed that  
night  
She's got the nicest legs, she shows 'em off but she's  
no slut  
She's got all the curves, she's even got the nicest butt

I got it all planned out we're gonna get married  
someday  
The only problem is she doesn't even know my name

Christine - she's the finest chick at my school  
And you know it'd really be cool  
If she'd go out with me

Christine - you'd never see me frown  
I'd be the happiest guy around  
I'd be so lucky

I can't keep my eyes off her long blonde hair, enticing  
eyes  
Whenever I'm around her I can't walk I'm paralyzed  
I would do anything and everything to make her glad  
I think about her all the time, man, I really want her bad

All the guys would say, "Well, there goes Nick, check  
out his chick!"  
They'd all be so jealous, they all want her to suck their  
dick
