They say when the last year comes
You can tell by the way it falls
It's like seeing everything for the first time again
It's not like the pain is gone
Just hurts a little bit less
You know you're going to cross that line
Who knows what you're going to find
It's only a matter of time in the end
I'm all cried out
Ready to run like a river
But it's empty now
And the only consolation is that
I can lie here in this bed
And put these memories to rest somehow
'Cause I'm all cried out
I never knew I had the strength
'Til I finally hit the ground
Now I have to make a choice to get up
Or stay down
For crying out loud
I'm all cried out
Ready to run like a river
But it's empty now
And the only consolation is that
I can lie here in this bed
Ad put these memories to rest somehow
'Cause I'm all cried out
And the only consolation is that
I can lie here in this bed
Ad put these memories to rest somehow
'Cause I'm all cried out
I'm all cried out
