1 - What are you look, what are you look
What are you looking for
What are you look, what are you look
What are you looking for
What are you look, what are you look
What are you looking for

2 - What do you see when you look inside your soul?
If it ain't love, what are you lookin' for?
What do you see when you look inside?
What do you find?
If it ain't me, why are you wasting time?

I gave you diamonds, I gave you pearls
I gave you most anything that you need in this whole
world
Baby, it sounds a little strange
The best I have is free
I believe you're special, can you believe in me? Tell me

Repeat 2

I'll be your sunrise to make your day
I'll give you so much love that you'll never turn me away
I can do all things, won't you let me come into your life

Get down on my knees for you
I can make it right

Repeat 2

I don't want to lose your love
I don't want to let you go
Time don't wait for no one, no one
Why don't you let me know

What do you see when you look inside your soul?
What are you lookin' for, what are you lookin' for?
What do you see when you look inside?
What do you find, what are you looking for?
Why are you wasting time?

Repeat 2

Repeat 1

What are you look, what are you look
What are you looking for

What do you see when you look inside your soul?
If it ain't love, what are you lookin' for
What do you see?
What do you see if it ain't me?

Repeat 1 until fade
