

Sister Shakespear's "Stay"

Visit "[Stay](#)" on MotoLyrics.com

if this world i wearing thin
and you're thinking of escape
i'll go anywhere with you
i'll do anything it takes
but if you try to go alone
don't think i'll understand

stay with me, stay with me

in the silence of the room
in the darkness of your schemes
you must only think of me
i'll visit all your dreams
whe pride is on the floor
i'll make you beg for more

you'd better hope and pray
that you'll be safe
in your own world
you'd better hope and pray
that you're gonna awake
back in your own world
