As the midnight moon, was drifting through
The lazy sway of the trees
I saw the look in your eyes, lookin' into mine
Seeing what you wanted to see
Darlin' don't say a word, cause I already heard
What your body's sayin' to mine
I'm tired of fast moves
I've got a slow groove...
On my mind
I want a man with a slow hand
I want a lover with an easy touch
I want somebody who will spend some time
Not come and go in a heated rush
I want somebody who will understand
When it comes to love, I want a slow hand
On shadowed ground, with no one around
And a blanket of stars in our eyes
We are drifting free, like two lost leaves
On the crazy wind of the night
Darlin', don't say a word, 'cause I already heard
What your body's sayin' to mine

If I want it all night
You say it's alright
We got the time
'Cause I got a man with a slow hand
I got a lover with an easy touch
I found somebody who will spend some time
Not come and go in a heated rush
I found somebody who will understand
When it comes to love, I want a slow hand
If I want it all night
Please say it's alright
It's not a fast move
But a slow groove
On my mind
'Cause I got a man with a slow hand
I got a lover with an easy touch
I found somebody who will spend some time
Not come and go in a heated rush
I found somebody who will understand
When it comes to love, I want a slow hand

As the midnight moon, was drifting through
The lazy sway of the trees
I saw the look in your eyes, lookin' into mine

Seeing what you wanted to see

Darlin' don't say a word, cause I already heard

What your body's sayin' to mine

I'm tired of fast moves

I've got a slow groove...

On my mind

I want a man with a slow hand

I want a lover with an easy touch

I want somebody who will spend some time

Not come and go in a heated rush

I want somebody who will understand

When it comes to love, I want a slow hand
