Guy Clark)

Well who wouldn't notice the fire in your eyes

Or the bitter direction of pending goodbyes?

I'm fallin', I'm folded, I'm welded in place

At the sight of you standin' with streaks down your face

CHORUS:

You got your heart broke, go runnin' from the reason

Get your heart broke, don't give up on believin' in me

Heartbroke, who kept me from leavin' with my heart
broke

Well cryin' when you're rich is a poor if you're lonely

Sheer madness prevails upon reason to yield

But all is not lost, it is only mistaken

A small consolation but I know just how you feel

(chorus)

(instrumental)

Well nobody said it was goin' to be easy

We all have our weak sides & need soft good touchin'

Nobody said that it would not be worth it

But human conditions can give you such

(chorus)

You kept me from leavin' with my heart broke

With my heart broke, with my heart broke

You got your heart broke
