featuring Ghetto Commission

{Chorus}

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some turbulence

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some turbulence

{Hollowway}

It started with pistols and niggas

Now it be killaz on triggas

Aimed for platinum plated figgas

Living lavish like drug dealers

TSO plug niggas

I'm surrounded by blood spillas

Motherfuckers about scrilla

Giving nothing but love nigga

In this land of troubled souls

All for one how we roll

We put our luchini over hoes

Cause nigga that's how it goes

I go to war for you PARTNA !

Off that 40 and vodka

Face the reaper with a choppa

Even die if I gotta

{Valario}

Bets to respect the flame

TSO niggas wrapped up in the game

Fronted by camp but brought together by pain

A team of troubled souls

Taking the yayo

And weighing it 8000 grams going to my FAMILY !

Ain't no limit to the moves that I make

To the rules that I break

Slanging cake just to make it a shake

Now playahate

It's the Commission and Skull

And we gon ball till we fall

We outlaws

Shooting for the stars

Now feel me

{Chorus}

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some turbulence

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some turbulence

{Spade}

Check the tattoo Bitch

That means pistols galore

The youngest nigga out the click empty his clip at yo
door

I'm down to ride on a hoe

Left the club with calicos

Red dots and pistols pop and choppas chopping fa sho

I'm off the HeeZays believe me

Spade ain't no joke

They pray for me to take it easy but I'm going for broke

I'm hollerin SPRIRAL !

Leave them bitches high low

At my side door

where ever I go

Nigga that Vi-Low

{Skull Duggery}

Pick up the pace

Get me the money up out the safe

Killing off simply so I don't have to spray the place

TSO you remember me from about 1983

When I pulled off my first armed robbery

It was Emory

Resurrected to Skull Duggery

'Til I got caught the judge sentenced me

Now check this to 7 years 6 months 14 hours 19
minutes and 3 seconds

They couldn't stop me no matter how hard they would
try

You feel me it was do or die

I didn't know if the Lord or devil was on my side

Sometimes I had to look I (took a picture)

So I took a trip to Texas got me a hit of heroin

Niggaz rollies travels got me beyond

>From the thought

Do I have heart

I ask myself these questions I have to start

So I stay to myself cause I'm a forced to be reckoned
with

Living around all this bullshit in the darkness it's so
hopeless

But check do my life have a spritual meaning to I'm
dead and gone

>From this life and this fucking shit beyond

But check it the police trying to catch me

For some bullshit TSO trying to wet this nigga T up
behind my head

Feel me ultimately I know my regiment respect me

I respect my regiment cause they down wit me

Forever 'G'

Check it TSO replaced in cement

Niggaz know this

You fuck around you gone be having yo grave plotted

You dig ?

{Chorus}

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some turbulence

I told you that TSO was cased in cement

You don't won't to fuck around nigga wit my regiment

I told you that TSO was cased in cement

You fuck around wit us it's going to be some
TURBULENCE
