Girlfriend you have got me in a state of stress  
From your preety hair down to your dress  
Girlfriend yeah you got me in a state of agitation

Girlfriend yeah you sent me out to hyperspace  
From your preety hair down to your face  
Girlfriend you who thinks of me I simply can dementia  
(???)

Cocaine Kate!  
How can't she see  
Never going to meet another man like me  
Never going to meet another man who's like the  
stallion

I can see through models with my man-horse songs  
I can spread ebola through my man-horse bones  
Retro-spiral surgery is in my man-horse no-so's  
Stallion is stronger than an elephant  
Stallion gives decision that is militant  
I can inflate whales by blowing right down the  
blowhole!

Cocaine Kate  
How can't she see  
Never going to meet another man like me  
Never going to meet another man who's like a stallion

Cocaine Kate  
How can't she see  
The stallion is mightier than Doherty

You're never gonna meet another man-horse like the  
stallion

Can you feel, can you feel  
Feel the Spirit of the horse  
Can you feel, can you feel  
Feel the Spirit of the horse  
(repeat differently, add bow down)  
Feel the spirit of the  
Spirit of the

Spirit of the horse!

Girlfriend yeah you turn me into hyperspace  
From your preety hair down to your face  
Girlfriend yeah you got me in a state of agitation

Stallion is stronger than a grizzly bear  
La La La!  
Let the Stallion ravish you back in his lair  
La La La!  
Stallion's the stallionist man-horse in creation

Cocaine Kate  
How can't she see  
Never going to meet another man like me  
Never going to meet another man who's like the  
stallion

Cocaine Kate  
How can't she see  
Stallion is mightier than Doherty  
Never going to meet another man-horse like the  
stallion

(The best I could come up with - Acci)
