Oh, I have got a yearning and there's nothing that can help,

Except for lots of lovely slimy extra kelpy kelp,

Kelp is quite the best thing that I've ever ever seen,

It's bendy and it's slimy and it's smelly and green

I love Kelp

I love Kelp

I love Kelp

I love Kelp

Oh, there is only one thing that can satisfy my need,

For lots and lots of giant floaty sub-aquatic weed,

The only thing that from me brings a joyful gleeful yelp,

Is lots of slowly rotting decomposing kelp

I love Kelp

I love Kelp

I love Kelp

I love Kelp

I'm going to kelpami where the heat is on

Gonna prance with the kelp till the break of dawn

I'm going to kelpami where the heat is on

Gonna prance with the kelp till the break of dawn

I'm going to kelpami where the heat is on

Gonna prance with the kelp till the break of dawn

Going to Kelpami

(Bienvenido a Kelpami)

I love Kelp

I love Kelp

I love Kelp

I love Kelp

Keyboard

I love Kelp

I love Kelp

I love Kelp

I love Kelp
