t's a funny kind of feeling and I don't know what to do
But Friday night is here my dear and I must be with you
This chicken-coop office doesn't help deflate this
urging
It's not like this hasn't really happened here before
This feeling keeps on growing just a little more and
more
I gotta get wasted, I can't help it lord of mercy

Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!

There's a voice in my head
And it plays all weekend
Let's go out and let's get wasted
There's a voice in my mind
And it plays all the time
Let's go out and let's get wasted

Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted

Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah

There's a voice in my head
And it plays all weekend

Let's go out and let's get wasted
There's a voice in my mind
And it plays all the time
Let's go out and let's get wasted
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!

Who's got the time, let's go out
I'm gonna show you a little place I know
They got beer and girls
Everything we need
Gonna walk in standing but you leave on your knees
If you got the time, let's go out
I'm gonna show you a little place I know
They got beer and girls
Everything you need
Gonna walk in standing but you leave on your knees

Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy!
Let's get wasted
Let's get wasted
Let's get wasted, yeah
Lord of mercy
Who's got the time, let's go out

I'm gonna show you a little place I know
They got beer and girls
Everything we need
Gonna walk in standing but you leave on your knees

Lord of mercy
