I don't wanna bike or fishing pole  
I just wanna submarine  
I'm gonna keep it in a swimming pool  
Gonna keep it nice and clean  
I don't want a fucking pogo stick  
I just wanna submarine  
Fucking pedal car can suck my dick  
Where's my fucking submarine?  
Where's my fucking submarine?  
Where's my fucking submarine!?

Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it

Nothing else is even slightly cool  
I just wanna submarine  
I'm gonna sub it into school  
Service it in the canteen  
I don't wanna slide or rocking horse  
I just wanna submarine  
I don't want no fucking somersaults  
Where's my fucking submarine?  
Where's my fucking submarine?  
Where's my fucking submarine!?

Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it

I'm going to float on by

Oh my, oh yeah  
I'm going to float on by  
Oh my, oh....

I don't a fucking climbing frame  
I just wanna submarine  
I don't want no shooting computer game  
I just wanna submarine  
I don't want a fucking football class  
I just wanna submarine  
Fucking action dolls can suck my ass  
Where's my fucking submarine?  
Where's my fucking submarine?  
Where's my fucking submarine?

Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it  
Like it, like it  
He's gonna like it
