Sitting at home on a Tuesday afternoon  
Hope the situation goes away soon  
Trying hard not to watch the TV  
Probably should be working on my CV

Now can't you see?  
Why won't anybody listen to me?  
Now can't you see?  
Why won't anybody employ me?

Looking out the window it's a perfect day  
Hope the situations going to go away  
The most fun question seems to be  
What should I have for my tea?

Now can't you see?  
Why won't anybody listen to me?  
Now can't you see?  
Why won't anybody employ me?

Why do they so no to me?  
Why do they so no to me?

Why do they so no to me?  
Why do they so no to me?

Now can't you see?  
Why won't anybody listen to me?  
Now can't you see?  
Why won't anybody employ me?

Sitting at home on a Tuesday afternoon  
Hope the situation goes away soon  
Trying hard not to watch the TV  
Probably should be working on my CV

Now can't you see?  
Why won't anybody listen to me?  
Now can't you see?  
Why won't anybody employ me?  
Now can't you see?  
Why won't anybody listen to me?

Now can't you see?  
Why won't anybody employ me?
