Oh heartbreak's hard when you don't have a plastic
heart
You sent me in through the cinnamon stars
Cause you tasted so bitter but the bitter was sweet
I'm a lovelorn princess and I'm yours to eat
I gave you too much,
Gave you too much to touch
Just the hardcore iron through the velvet glove
You were a lullaby and you had me blind
And now I laugh cause you're the one whose left
behind
I see you cry

Now that the shoe's on the other foot

Now that the shoe's on the other foot
You suddenly decided to knock on wood
Wakin' everybody in the neighborhood
Tellin' everybody that I'm no good
Karma came around like I knew it would,
Like I knew it would
And it feels so good when the shoe is put...
On the other foot

Yeah baby, I know that it hurts
When you're about to get your just desserts

Oh heartbreak's hard,
Harder than glittering cars
Harder than living life fast
Harder than crashin' and burnin'
Hope that you'll learn your lesson
(I hope that you learn your lesson)
