Have I a hope, or half a chance

To even ask if I could dance with you, yoo hoo

Would you greet me or politely turn away

Would there suddenly be sunshine on a cold and rainy day

Oh babe, what would you say?

For there are you, sweet lollipop

Here am I with such a lot to say, hey hey

Just to walk with you along the milky way

To caress you through the nighttime

Bring you flowers everyday

Oh babe, what would you say?

'Cause, oh, baby I know

I know I could be so in love with you

And I know that I could make you love me too

And if I could only hear you say you dooo, ooh, ooh,
ooh

But anyway, what would you say?

Yes, oh, baby I know

I know I could so in love with you

And I know that I could make you love me too

And if I could only hear you say you dooo, ooh, ooh,

ooh

But anyway, what would you say
