Here for you to cherish and adore  
Here for you to cherish forever more  
Here for you to cherish and adore  
Here for you to cherish forever more

I ran away for reasons I really don't know  
When we were together, I didn't let my feelings show  
And I can't explain where I've been  
Please trust me again

I'm gonna be good to you  
I'm gonna be right for you  
I'm gonna do my part  
To never break your heart

Here for you to cherish and adore  
Here for you to cherish forever more  
here for you to cherish and adore  
Here for you to cherish forever more

I'll take the blame if you'll forgive me  
It's plain to see I'm just as, just as guilty  
I really mean it, no stuff  
You're in my arms, that's enough

I'm gonna be good to you  
I'm gonna be right for you  
I'm gonna do my part  
To never break your heart

Here for you to cherish and adore  
Here for you to cherish forever more  
Here for you to cherish and adore  
Here for you to cherish forever more
