Some things never change
So learn to play the game
It don't cost nothing to get off
If that's the way you feel

Check it out, good or bad
It's different from what you've had
Rock with it, but don't knock it
'Cause to me, it's real

It's an emotion you can't let go
It's an expression you've got to show
Some call it play, some call it fun
But it's the closest to love I've ever come

Like a rush over me
I surrender willingly
Can't fight it back
'Cause it's what I like
Never could say no

It's an emotion you can't let go
It's an expression you've got to show
Some call it play, some call it fun
But it's the closest to love I've ever come
