[Chorus:]

I ain't asking for your love
You've got to give it to me freely
I ain't asking for your love
You've got to give it to me freely

It ain't like that
Wish it was
Yes, I want you
I want you real bad
Don't get me wrong, baby
Don't get mad
But it ain't something
I ain't never had

[Chorus]

Yes, I'm willing
As you can see
And what I feel
I really want to share
I won't be used
To be abused
In this affair
You've really got to care, baby

[Chorus]
