Is it daylight  
I can't tell no more  
Never had this condition before

Everywhere I turn  
(It seems to hang on)  
Everything I do  
(It seems to hang on)

Was I mistaken  
(It seems to hang on)  
About you  
(It seems to hang on)

Aside from wanting you  
(It seems to hang on)  
Aside from needing you  
(It seems to hang on)

Let me give you some idea  
(It seems to hang on)  
It ain't just the tears  
The fact of it is

I can't go nowhere  
I can't be the same  
I don't know my name  
I can't understand just why

(It seems to hang on)  
Oh, ooh, why  
(It seems to hang on)

Wasn't I clever  
As only I can be  
But tell me what's happening  
What's bothering me, yeah

Aside from dreams I had  
Nothing else exists  
Honey, it's you I miss  
Don't leave me like this

I can't go nowhere  
I can't be the same  
I don't know my name  
I can't understand just why

(It seems to hang on) why  
(It seems to hang on)

Like a snowball rolling down the hill  
(It seems to hang on)  
Look behind me, it's there still  
(It seems to hang on)

Ooh, like a shadow, it follows  
Oh, oh, oh, oh...

Oh, loose me, loose me  
Lose me, please

I can't go nowhere  
I can't be the same  
I don't know my name  
I can't understand just why

(It seems to hang on)  
(It seems to hang on)  
I can't shake it  
(It seems to hang on)  
I can't shake it  
(It seems to hang on)

Like a snowball rolling down the hill  
(It seems to hang on)  
I look behind me, it's there still  
(It seems to hang on)

Ooh, it follows like a shadow  
Oh, oh, oh, oh...

Oh, loose me, loose me, loose me  
Please, please, please  
Hey, hey

I can't go nowhere  
I can't be the same  
I don't know my name  
I can't understand just why, why

(It seems to hang on)  
{Oh, oh} why

(It seems to hang on)  
(It seems to hang on)  
(It seems to hang on)  
{Was it} was it

(It seems to hang on)  
(Was it) was it  
(It seems to hang on)  
{Baby, was it love}  
(It seems to hang on)  
(It seems to hang on)

(It seems to hang on)  
I wanna know  
(It seems to hang on)  
I wanna know  
(It seems to hang on)  
(It seems to hang on)

(It seems to hang on)  
(It seems to hang on)  
(It seems to hang on)  
(It seems to hang on)...
