Hands are tender, want so much  
I surrender to your touch  
Paralyzed by them eyes  
I don't know, boy

Feel like something  
Outta the world  
Feel it, feel it  
Outta the world  
Got to feel it  
Outta the world  
Feel it, feel it  
Outta the world  
Feel it, feel it  
Outta the world

My intuition does no good  
I keep a wishing  
I understood what it is  
Holds me captive  
I don't know, boy

Feelis like something  
Outta the world  
Feel it, feel it  
Outta the world  
Feel it, feel it  
Outta the world  
Feel it, feel it  
Outta the world

My body and mind in a transformation  
No way to resist the temptation

Something outta the world  
Feel it, feel it  
Outta the world  
Feel it, feel it  
Outta the world  
Outta the world
