

## Ashford & Simpson

### "Tonight We Escape"

Visit "[Tonight We Escape](#)" on MotoLyrics.com

Tonight we escape  
Tonight we create  
Something beautiful

Tonight there'll be fire  
Burning desire  
When I hold you tight

Tonight we escape  
Tonight we create  
Something beautiful  
Something true above all  
We make love

Tonight there'll be fire  
Burning desire  
When I hold you tight  
It's gonna feel so right  
We make love

Let's get started  
Let's not waste another minute  
The night is young  
Let's get started  
Let's love it up  
Do it now  
Before it's gone

Tonight we escape  
Tonight we create  
Something beautiful  
Something true above all  
We make love  
We make love
