[Snoop Dogg]
She the type of girl to play (which one of you bitches
like me?)
I met her just the other day (which one of you bitches
like me?)
She really didn't wanna give me no play (which one of
you bitches like me?)
As I walked up she just turned away (which one of you
bitches like me?)

[Nine Inch Dix]
I saw you hangin with yo' friends (which one of you
bitches like me?)
They was lookin at my friends (which one of you bitches
like me?)
But which one of y'all was checkin out this pimped-out
playa?
Girl you don't have to pretend
Whoa whoa whoa whoa, baby
I seen your homegirls jockin my riiiiide
And ooh, baby
Which one of y'all will step off insiiiiide - and run away
with me

[Chorus 2X: Nine Inch Dix]
Which one of you bitches like me?
Which one of you bitches, bitches!
Which one of you bitches like me?
Which one of you bitches, bitches

[Snoop Dogg]
We was at the party like (which one of you bitches like
me?)
I was tryna live the naughty life (which one of you
bitches like me?)

Man them skinny girls was everywhere...
I had to stop, pause and fix my hair - hand me my
mirror Jerome
She was big but she was cute (which one of you bitches
like me?)
And I noticed she had major loot (which one of you
bitches like me?)
Ho, ho, ho - it really didn't matter what she weighed...
See cause a big girl loves to play and play a playa,
playa

[Nine Inch Dix]
Hey! Bitches! I need yo' attention
Who wanna ride in a pimped-out Cadillac and say hey!
Delicious, you look sweet like candy
I gotta ride shotgun with a bad bitch in the back
No matter what you see, or baby what you saw
If you stand tall, we gon' ball through it all
And if the police come, don't let me take a fall
Please stuff this work, in the crotch of your drawers
Which one of you like me?
I heard she was a major hoe, so unforgettable
Next time I see her though, I'ma let her know

[Snoop Dogg]
We been drinkin havin fun, me and you, one on one
Doin thangs, holdin hands, makin plans, help me sing

[Snoop + Nine Inch Dix]
We been drinkin havin fun, me and you, one on one
Doin thangs, holdin hands, makin plans, I'm your man

[ad libs for 15 seconds]

[Chorus] - fades out w/ ad libs
