If I could fly, I would, I'd fly away from here
out of my window in the night
where I'd be free so far away
out of my sleep in the night
I would fly high in the trees with the sky
where the stars don't cease to shine
they all are mine
where the nightbirds sing in darkness
their voices remain in my head
out of my sleep and out of this place
Out of this place
paining her name across the sky, RED RED RED
flying as far as eyes can see, Higher Higher Higher
untill she can no longer be seen, GONE GONE GONE
leaving her name across the sky, RED RED RED
out of this cold and quiet prison
I slip from my house so no one hears
no one hears your desperation
or even cares
so far away, to be free
gone gone gone
RED RED RED
RED RED RED
RED RED RED
RED RED RED
GONE GONE GONE GONE
